

# I Don't Believe

Gary Numan

Love is unsafe I'm sure  
Wrong love,  
Wrong time,  
Wrong move.  
Love is too short, too sharp.  
Wrong men,  
Wrong place,  
Wrong heart.

I don't believe in love and  
I don't believe in you and  
I don't believe in anything

Love is too cold, too close.  
Because pictures TV  
Love is you with film.  
You don't know me at all.

I don't believe in love and  
I don't believe in you and  
I don't believe in anything
