

Love Hurt Bleed

Gary Numan

Love seems all I want
Love seems all I need
Love seems everything
I know everything bleeds

Everything bleeds
Everything bleeds
Everything bleeds
Everything bleeds
Everything bleeds

Love for things I love
Love for thing to think
Love for everything
I know everything bleeds

Everything bleeds
Everything bleeds
Everything bleeds
Everything bleeds
Everything bleeds

Do, do you know my name
Do, do you know what I've shamed
Do, do you think I'm lost
Do, do you think I pray

Everything bleeds
Everything bleeds
Everything bleeds
Everything bleeds
Everything bleeds

Everything bleeds
Everything bleeds
