

## Love Hurt Bleed

Gary Numan

Love seems all I want  
Love seems all I need  
Love seems everything  
I know everything bleeds

Everything bleeds  
Everything bleeds  
Everything bleeds  
Everything bleeds  
Everything bleeds

Love for things I love  
Love for thing to think  
Love for everything  
I know everything bleeds

Everything bleeds  
Everything bleeds  
Everything bleeds  
Everything bleeds  
Everything bleeds

Do, do you know my name  
Do, do you know what I've shamed  
Do, do you think I'm lost  
Do, do you think I pray

Everything bleeds  
Everything bleeds  
Everything bleeds  
Everything bleeds  
Everything bleeds

Everything bleeds  
Everything bleeds
