```
When I sleep
I slide into
Some heaven
But no one is there.
If I believed,
If I should wonder,
If I forgive
Then would you come for me?
When I sleep
I hear sad words
Songs of God
That show me the lie.
'I'll keep you safe,
I'll keep you warm and
I'll keep you here,
Alone forever.'
And I believe in faith and magic.
And I believe in love and wonder.
And I'll believe in you when you come for me.
And I'll believe in you when the world comes apart.
