```
Sometimes I wonder if God laughs at me I hear His voice When I sleep  \\
```

Sometimes I wonder if The Holy Ghost Is haunting me In my dreams

Save me Save me

Sometimes I wonder, does an angel die? Rest in peace Here with me?

Sometimes I wonder if a soul can cry? I feel a pain
Next to mine

Can you hear me?
Can you hear me?
I don't think He died for me

I know that Heaven is a burnt out shell I know forgiveness is the door to Hell I know confession is a black empty lie Look in my eyes

Look in my eyes

Save me

Save me
