

Rip

Gary Numan

I'll get down on my knees
I'll do anything I can
I'll even walk upon water
I'll give some body disease

I'm so sick with need
I'm so sick with pain
I'll lay before the cross and pray
I'll bleed like holy rain
I've gotten sick of the pain
o dear I pray

HEY HEY HEY

I've done nothing to you

I've got something for you

I'll rip the skin from God's face
I'll say I'm searching for the truth
I steal the light from heavens gates
If it can guide me to you

I'll give life to obsession
I'll give life to disease
I'll give you one last sin or cure
And then I'll do as I please

I've got something for you
