

# This Is My Life

Gary Numan

I'm not so sure  
I still want more of this  
My mind's not quite  
Behaving, I don't know  
I'm not feeling like I'm told I should

This is my life  
Welcome to me tonight  
I don't feel too  
Glad to be here for sure  
I'm not feeling anymore at all

This is my head  
This is my face  
It's all my fault  
This is my place  
I don't really think I wanna stay
