

This Wreckage

Gary Numan

And what if God's dead
We must have done something wrong
This dark facade ends
We're independent from someone

This wreckage I call me
Would like to frame your voice
This wreckage I call me
Would like to meet you, meet you
Soon

We write suggestions
Suggesting fading to silence
And that must please you
My mirror's tarnished with 'no-help'

This wreckage I call me
Would like to frame your voice
This wreckage I call me
Would like to meet you, meet you
Soon

Turn out these eyes
Wipe off my face
Erase me

Replay 'The end'
It's all just show
Erase you

I need to I need to I need to

This wreckage I call me
Would like to frame your voice
This wreckage I call me
Would like to leave you, leave you
Leave you, leave you soon
