

Whisper of Truth

Gary Numan

So I fall
Like the rain
Sometimes I almost cry again

Ive seen my pictures
Peeling from walls
Its like a witness of truth
To the end of it all

Here we are
No-one came
Ive been waiting for this for years

Do you wonder
How Im feeling?
Did you whisper the truth
Like a memory of pain?

No angel
To guide me
No angel
Can find me

Walk away
Walk away from me
I wont cry, I wont cry
Take my life
Take my life from me
I wont cry, I wont cry

Like a whisper of truth
Save me.
