

Out Of Hand

Gary Stewart

I never intended
To even know your name

Except for the woman waitin' at home
Involved in the same
I've always been true
Except for you

Not even a one night stand
And I never intended
For it to get so
Out of hand

Out of hand, out of hand
I'm a hard-living kind of a man
I need more to keep me goin'
Than this gold wedding band

You're my kind of woman
I'm your kind of man
Maybe that's the reason
It goes so ... out of hand

I never intended
For it to go this far
I don't think I can get off
From where we are

Some time to waste
So just a taste
Was all... that I had planned

And I never intended
For it to get so
Out of hand

Out of hand, out of hand
I'm a hard living kind of a man
I need more to keep me goin'
Than this gold wedding band

You're my kind of woman
And I'm your kind of a man
Maybe that's the reason
It got so... out of hand

Out of hand, out of hand
I'm a hard loving kind of a man
I need more to keep me goin'
Than this gold wedding band

(music fades)
