

People Need the Lord

Gary Valenciano

Everyday they pass me by
I can see it in their eyes
Empty people filled with care
Headed who knows where
On they go through private pain
Living fear to fear
Laughter hides their silent cries
Only Jesus hears

People need the Lord
People need the Lord
At the end of broken dreams
He's the open door
People need the Lord
People need the Lord
When will they realize
People need the Lord

We are called to take His light
To a world where wrong seems right
What could be too great a cost for
Sharing life with one who's lost
Through His love our hearts can feel
All the grief they bear
They must hear the words of life
Only we can share

People need the Lord
People need the Lord
At the end of broken dreams
He's the open door
People need the Lord
When will they realize
That we must give our lives
For people need the Lord
People need the Lord
People need the Lord
