

## Reachin' out

Gary Valenciano

What must I do to make you understand?  
You mean everything to me  
Don't have the strength to say  
Give this heart of mine a chance  
And maybe then you will see

And I'll do anything, do anything that you tell me  
And I'll be there, I'll be there if you need me

Reachin' out to you  
Do you feel it too?  
Loving you is all I wanna do  
I'm completely sure  
I've never felt this way before  
When I smile you know that there is something more

What must I do so I can make you see?  
The light that shines in my eyes  
You brighten up my day  
You even help me find my way  
I wish you're always by my side

And I can't stop, don't know how to stop thinkin' of you  
And I'll do anything, do anything to be near, near you

Reachin' out to you  
Do you feel it too?  
Loving you is all I wanna do  
I'm completely sure  
I've never felt this way before  
Deep inside you know that there is something more

Reachin' out to you  
Do you feel it too?  
Loving you is all I wanna do  
I'm completely sure  
I've never felt this way before  
Deep inside you know that there is something more  
Deep inside you know that there is something more
