

## More Than Anyone

Gavin DeGraw

You need a friend  
I'll be around  
Don't let this end  
Before I see you again  
What can I say to convince you  
To change your mind of me?  
I'm going to love you more than anyone  
I'm going to hold you closer than before  
And when I kiss your soul, your body'll be free  
I'll be free for you anytime  
I'm going to love you more than anyone  
Look in my eyes, what do you see?  
Not just the color  
Look inside of me  
Tell me all you need and I will try  
I will try  
I'm going to love you more than anyone  
I'm going to hold you closer than before  
And when I kiss your soul, your body'll be free  
I'll be free for you anytime  
I'm going to love you more than anyone  
Free for you, whenever you need  
We'll be free together baby  
Free together baby  
I'm going to love you more than anyone  
I'm going to hold you closer than before  
And when I kiss your soul, your body'll be free  
I'll be free for you anytime  
I'm going to love you more than anyone  
I'm going to love you more than anyone
