

# Sweeter

Gavin DeGraw

You  
You don't know how lucky you are  
Hanging with that girl on your arm  
But soon enough I'm taking my shot

Bang!  
Once I get 'em locked in my sight  
Doesn't mean I wasn't alright  
I'm just seeing something I like  
Woo hoo

I just wanna take  
Someone else's holiday  
Sometimes the grass is greener  
And someone else's sugar,  
Someone else's sugar's  
Sweeter

You,  
Went to school and found out you're dumb  
Maybe you just had too much fun  
Fell in love and think it's the one

You're like an angel  
Got me feeling like a devil  
I wanna give you something  
If you promise that you won't tell  
Woo hoo

I just wanna take  
Someone else's holiday  
Sometimes the grass is greener  
And someone else's sugar,  
Someone else's sugar's  
Sweeter

I'ma recommend  
You take that body to the other end  
I really like you but I can't be friends  
Not with these hands of mine

I just wanna take  
Someone else's holiday  
Sometimes the grass is greener  
And someone else's sugar,  
Someone else's sugar

I just wanna take  
Someone else's holiday  
Sometimes the grass is greener  
And someone else's sugar,  
Someone else's sugar's  
Sweeter.
