

# Days Gone By

Gavin Mikhail

I won't break  
Down this way  
I will hold on for one more day  
If you'll help me make  
Myself feel  
Something so much more than this  
Something that's real  
I'll live, I'll love, I'll carry on  
Pretending I don't notice that you're gone...

But, god I miss you  
So much it hurts sometimes  
And, I can't bring us back to  
All the days gone by  
Why didn't I notice  
That you were not quite fine?  
Now I can't bring us back to  
All the days gone by...

Tell me why  
Make me see  
How my giving up giving in isn't what's best for me  
You know I've tried  
But, I am terrified by all I should believe  
I need to know to carry on  
Pretending I don't notice that you're gone...

But, god I miss you  
So much it hurts sometimes  
And, I can't bring us back to  
All the days gone by  
Why didn't I notice  
That you were not quite fine?  
Now I can't bring us back to  
All the days gone by...

And I may not always  
Be there when you call my name  
And I cannot promise  
That the things you love in this life won't change  
But I will be with you  
In all that you say and do  
'Cause you are part of me  
And I will always love you...

But god I miss you  
So much it hurts sometimes  
And I can't bring us back to  
All the days gone by  
Why didn't I notice  
That you were not quite fine?  
Now I can't bring us back to  
All the days gone by  
I took for granted  
That you were in my life  
Now I can't bring us back to  
All the days gone by

I always loved you  
I miss you all the time  
I promise I'll remember  
All the days gone by...
