You don't feel the pain

Too much is not enough Nobody said this stuff makes any sense We're hooked again

Point of no return
See how the buildings burn
Light up the night
Such pretty sight

Adrenaline keeps me in the game
Adrenaline you don't even feel the pain
Wilder than your wildest dreams
When you're going to extremes
It takes adrenaline
(You don't feel the pain)

Sail through an empty night It's only you and I who understand There is no plan

Get closer to the thrill Only time will kill What's in your eyes Is so alive

Adrenaline keeps me in the game
Adrenaline you don't even feel the pain
Wilder than your wildest dreams
When you're going to extremes
It takes adrenaline

Run through the speed of sound
Every thing slows you down
And all color that surrounds you
Are bleeding to the walls
All the things you really need
Just wait to find the speed
Then you will achieve
Escape velocity

Too much is not enough Nobody gave it up Im not the kind To lay down and die

Adrenaline
keeps me in the game
Adrenaline
you don't even feel the pain
Wilder than your wildest dreams
When you're going to extremes
It takes adrenaline

Adrenaline Screaming out your name

Adrenaline
you don't even feel the pain
Wilder than your wildest dreams
When you're going to extremes
It takes adrenaline
