

I Feel Alright

GBH

Out of my mind on a Saturday night,
Nineteen Eighty Four rolling in sight.
Radio Bird Man, up above,
beautiful baby, save our love.

All night killer, blown away,
all night killer, blown away.
I feel alright, I fell alright,
feeling alright.

Save your baby, burn my heart,
save your baby, burn my heart.
Fall apart now baby, fall apart.
Save your baby, burn my heart.

Out of my mind on a Saturday night,
Nineteen Eighty Four rolling in sight.
Radio Bird Man, up above,
beautiful baby, save our love.
