

## See The Man Run

GBH

See the man see him run,  
where's he going where's he coming from ?  
What's he carrying under his arm ?  
Stay away it'll do you harm.

See the man run.

Why's he sitting in the dark ?  
Who's he meeting in the park ?  
Who's he calling .. on the phone ?  
Counting out cash all alone.

What's in the box being wrapped ?  
Why's his phone being tapped ?  
Under surveillance every day.  
Special branch got nothing to say.

What was he arrested for ?  
Selling junk, breaking the law.  
Addicting kids just looking for fun.  
The pusher is pulled .. but the damage is done.
