Out on a limb, got no enjoyment, stoney broke, got no employmen t.

It's something no-one else can see, I've gotta end my misery.

Self destruct, self destruct, I said I'm gonna. Self destruct, fill my head with a piece of lead.

Had enough of this recession, their bullshit caused my depressi

Their ways make me feel small, now I'm gonna end it all.

Count-down's over this is it, my life is spent it's now I quit. Done my best to aid this caper, one less name on a piece of paper.

.. blow my brain
