

Psycho Slut

Gehennah

He's a transvestite, standing on the streets
Looking for someone to eat
Wearing falsies, spikes and leather
Nobody can resist "her"

He's a red light ripper, send you to hell
Red light ripper, doing well

He'll take you up into his room
And rip you to pieces pretty soon
And then in the sewer your remains will be lost
We'll you don't have to worry about the cost

Red light ripper, looking hot
Red light ripper, satanic psycho slut

Psycho slut, loves his knife as he loves his wife
Psycho slut, won't take your virtue, but your life!

"Hey bitch! Want some cash?"
He won't leave without your flesh

"Yeah babe, make me loose my breath..."
That slut will fuck you to death!
