Yuh Juevenile I see you shawty Flo rida wanna know yo name girl Come here lemme holl at you Shawty I been watchin u vibe I wanna get to know you Flo rida imn so hypnotized Shaped like a coke bottle Ladies so don't you be suprised I go for both models Babies turn me on Yous a dyme You on that level Shyne Like my rolley bezzel Fyne Like this you have to take yo tyme You deserve a medal If I let you know that this fella right here Is feelin you Somthin special bout lil mama Yeah you sexy and cute Girl you ready Apple bottoms Yeah so let's say you the truth Like my chevy you a problem Still a show commin through Hey I wanna know you name I wanna sho you thangs I wanna see you get low while I give you dough And fire to the flame We step put in the rang That's real ghetto fame Surely I over due it for you And not to be chevroley Baby, I can't keep my eyes off you So hypnotized by the way you move And I just wanna know Baby what's your name And maybe later on We can go somewhere Because lil mama All I really wanna do it get with you Yeah a-a What's it gonna take Неу... Неу Tell me what I gotta do

I ain't like these other suckas runnin' game on you

I'm sure ya hear it all the time

But I don't spit lines, I don't waste my breath shit... on all that mess If I said it then I meant it Not to try to get between ya And I ain't gotta wow you, To make you a believer Some like to make it rain, yeah we can make it rain Like JD once said, shit; money ain't a thang" I ain't tryin' ta impress ya Lil' mama you can tell what I got An 'at don't matter, that don't matter We can get it poppin' Like these champaign bottles And don't be playin' hard to get It'll only make me try harder Come on

Baby,

I can't keep my eyes off you
So hypnotized by the way you move
And I just wanna know
Baby what's your name
And maybe later on
We can go somewhere
Because lil mama
All I really wanna do it get with you
Yeah a-a
Tell me what it's gonna take
To get with you

Chea

How can she lose With what she use And the way she moves I love the way your bodies so smooth I love the way she flows to the grove And now she keeps lil rob in the mood Chea All it took was one look in her eyes And I was hyopnotized Get them swirls in my eyes When this gurls in my site Had the site dynomite Such a site to see to me The only girl I wanna bite Cause I like it You make me delighted To get you exited Keep you ignighted You must be the baddest thing I've ever seen I think I seen you in my dream Or maybe it was a magazine I don't really know But I get exited With you and your anatomy

Baby

I can't keep my eyes off you
So hypnotized by the way you move
And I just wanna know
Baby what's your name
And maybe later on
We can go somewhere

Because
