

# Back Of My Hand

Gemma Hayes

I'll be seeing you tomorrow  
I'll be seeing you again  
God knows we've said so little  
I'd go so far as to call you a friend

But there's something in your ways  
That keeps me vying for a connection  
And I know you feel the same  
It's become a two-way addiction

Come on and give me your heart  
Write it on the back of my hand  
And say it's forever

Well we never really said goodbye  
Kinda left it in the air  
And as the train pulled off I knew you loved her more

Oh no no no no  
I'm not afraid to lose  
Oh no no no no  
Just give me some time and I'll walk to a different groove

Go on and give her your heart  
Write it on the back of her hand  
And say it's forever

Go on and give her your heart  
Write it on the back of her hand  
And say it's forever

That's alright, that's ok, the thoughts of you are leaving  
That's alright, that's ok, the thoughts of you are leaving  
Anyway, are fading anyway

Come on and give her your heart  
Write it on the back of her hand  
And say it's forever

Come on and give me your heart  
Come on and give me your heart  
Come on and give me your heart
