

# What A Day

Gemma Hayes

Five hours from now  
You'll be sleeping  
I'll be lying awake wondering  
Did we make the right decision?

What a day  
What a day we had  
What a day  
What a day we had

Brian and I decided  
This year we'll make ourselves believe in everything  
I don't know about you but I've had enough of trying to live th  
rough doubt and

What a day  
What a day we had  
What a day  
What a day we had

What a day  
What a day we had  
What a way to go

What a day  
What a day we had  
What a day  
What a day we had

What a day  
What a day we had  
What a way to go  
What a way to go
