

# There's A New Moon Over My Shoulder

Gene Autry

There's a new moon over my shoulder  
And an old love still in my heart  
I remember now that I'm older  
What you told me the day we had to part

You promised with the new moon  
You'd be coming back to me  
Now many moons have passed  
Since then I'm waiting patiently

There's a new moon over my shoulder  
And an old love still in my heart

There's a new moon over my shoulder  
And an old love still in my heart  
I remember now that I'm older  
What you told me the day we had to part

You promised with the new moon  
You'd be coming back to me  
Now many moons have passed  
Since then I'm waiting patiently

There's a new moon over my shoulder  
And an old love still in my heart
