

# From The Teacher To The Preacher

Gene Chandler

With Barbara Acklin

I used to carry your books  
And you gave me such a sweet look  
Oh, the feeling inside  
The feeling I could not hide

And we went from the teacher  
Straight to the preacher  
We went from the teacher  
Straight to the preacher together

We tied hearts together  
We tied hearts

Whenever we make a date  
Sweetheart, I just couldn't wait  
Oh, the happy misery  
And you are gonna be with me

And we went from the teacher  
Straight to the preacher  
We went from the teacher  
Straight to the preacher together

We tied hearts together  
We tied hearts

Each day, I write you a note  
Saying, darling, I love you so  
Those were the happy days  
And I love you the same old way

Cause we went from the teacher  
Straight to the preacher  
We went from the teacher  
Straight to the preacher together

We tied hearts together  
We tied hearts

We went from the teacher  
Straight to the preacher  
We went from the teacher  
Straight to the preacher together
