

## Train Leaves Here This Morning

Gene Clark

I lost ten points just for being in the right place  
At exactly the wrong time  
I looked right at the facts there, but I may as well  
Have been completely blind

So, if you see me walking all alone  
Don't look back, I'm just on my way back home  
And there's a train leaves here this morning  
And I don't know, what I might be on

She signed me to a contract  
Baby said, "It would all be so life long"  
I looked around then for a reason  
When there wasn't something more to blame it on

But, if time makes a difference while we're gone  
Tell me now and I won't be hanging on  
There's a train leaves here this morning  
And I don't know, what I might be on

1320 North Columbus was the address  
That I wrote down on my sleeve  
I don't know just what she wanted  
Might have been that it was getting time to leave

And I watched as the smoker passed it on  
And I laughed when the joker said, "Lead on"  
'Cause there's a train leaves here this morning  
And I don't know, what I might be on

There's a train leaves here this morning  
And I don't know, what I might be on
