

# Vanessa

Gene Clark

Mama get your bags and run  
Papa's gonna get a gun  
Mama get your bags and fly  
Lord have mercy, me oh my

Get out your cuffs baby, circle the floor  
I can't live with the devil no more  
Vanessa, get your gun  
I saw Vanessa in the window last night

Looking out on the hill  
Seen her down in the corn field  
Sparks flyin' from her head  
Get out your cuffs baby, circle the floor

I can't live with the devil no more  
Vanessa, get your gun  
Vanessa, get your gun

Mama get your bags and run  
Papa's gonna get a gun  
Mama get your bags and fly  
Lord have mercy, me oh my

Get out your cuffs baby, circle the floor  
I can't live with the devil no more  
Vanessa, get your gun  
Vanessa, get your gun  
Vanessa, get your gun
