

## Bruises

Gene Loves Jezebel

I am slowly pushing on  
Bruised but only waiting  
To run run run - away  
To run away

You better hide love, hide love, across the water  
You better hide love, hide love, you know you oughta

Thoughts that hold me, I'm caught again  
What's worse I'm only lingering  
To run run run - away  
To run away

You better hide love, hide love, across the water  
You better hide love, hide love, you know you oughta

No more - No

You're high, you're high above the water  
Do you never, never look below  
To run run run - away  
Run away

Better hide love, hide love, across the water  
Better hide love, hide love, you know we oughta

No more, no, no more

No more, no, no more  
No more, no, no more  
No more, no, no more  
No

Hide love, hide love water
