

Motion Of Love

Gene Loves Jezebel

Hey listen treasure
You know I'm waiting for you
I want some pleasure
I love those things that you do

Do you know what you want?
Oh, yes I do
Do you know how to get it?
You know that it's true
I know what I want
And I know how to get it
Some come on baby
Let's do it again

I feel your motion of love
I feel your motion of Love
I feel your motion of Love
I feel your motion of Love

Pretty angel
You've got a rhythm that's blue
You could not measure
This love I feel for you

Do you know what you want?
Oh, yes I do
Do you know how to get it?
You know that it's true
I know what I want
And I know how to get
So come on angel
Let's share it

I feel your motion of love
I feel your motion of love
I feel your motion of Love
I feel your motion of Love

I just want to kiss, just want to kiss
Your lips, your lips
I want to kiss, I want to kiss
Just a bit like this (oh,yes)

I want some pleasure
I'll dance over you
You little treasure
You know our world is blue

Do you know what you want?
Oh, yes I do
Do you know how to get it?
You know that I do
I know what I want
And I know how to get it
So come on baby
Let's share it
Motion of Love

I feel your motion of Love...
