

# Nothing Lasts Forever

Gene Loves Jezebel

Hopes and wishes are of all times  
And so are these dreams  
But right now it comes to me as if

Nothing lasts forever  
Everything will change  
I'm trying to get my life together  
Ahead of all these games  
Nothing lasts forever  
That's how it's gonna be  
But no matter where the road ends up  
You are always part of me.....

We have driving such a long way  
To make it through the night  
But right now and here it feels as if

Nothing lasts forever  
Everything will change  
I'm trying to get my life together  
Ahead of all these games  
Nothing lasts forever  
That's how it's gonna be  
But no matter where the road ends up  
You are always part of me.....

Yes, I've waited for you in all my dreams  
How I've wanted you to be here  
But right now I know that at last it seems that  
Nothing, nothing, nothing.....

Nothing lasts forever  
Everything will change  
I'm trying to get my life together  
Ahead of all these games  
Nothing lasts forever  
That's how it's gonna be  
But no matter where the road ends up  
You are always part of me.....
