If I Never Get To Love You

Gene Pitney

If I never get to love you
It won't be that I didn't try
I'll be trying to possess you
Till the day I die

If I never get to love you
It won't be that I ran away
For as long as you will have me
Close to you, I'll stay

What I wouldn't give to hold you tight
Never, never let you out of sight
Be the one you give your first kiss every morning
The last one you kiss goodnight

If I never get to love you
It won't be that I didn't care
There is nothing that I want more
Or I need more
And my heart would surely break in two
If I never get to love you

What I wouldn't give to hold you tight
Never, never let you out of sight
Be the one you give your first kiss every morning
The last one you kiss goodnight

If I never get to love you
It won't be that I didn't care
There is nothing that I want more
Or I need more
And my heart could surely break in two
If I never get to love you
