Nobody Needs Your Love

Gene Pitney

```
I've tried so hard to make you see
That I'd be what you want me to be
But no matter what I do
I just can't get through to you
You don't want to love me
Or are you tired of me?

Ohh take my heart
That's all I've got to give
If you don't want me
I don't want to live
Don't run away to somebody new
Nobody needs your love more than I do
Nobody needs your love more than I do

Why can't it be like before?
Don't you need me anymore?
Why do I go on this way?
You don't hear a word I say
If you care about me
Please don't leave without me

Ohh take my heart
That's all I've got to give
If you don't want me
I don't want to live
And baby please don't say that we're through
Nobody needs your love more than I do [repeat while fading]
```
