

# Not Responsible

Gene Pitney

Please don't look at me with hungry lips  
No, no, no please don't thrill me with you fingertips  
No, no, no please don't say the sweet things that you say  
Because I get carried away  
And then I'm

Not, not, not responsible  
Not, not, not responsible  
I can't answer for the things I do  
I said I'm  
Not, not, not responsible  
Not, not, not responsible  
'Cos I'm so in love with you

Well once again now  
When you look at me with loving eyes  
Yeah, yeah, yeah you take me so close to paradise  
Well, well now please don't tempt me with your special charms  
For I'll just fall into your arms

Not, not, not responsible  
Not, not, not responsible  
I can't answer for the things I do  
Not, not, not responsible  
Not, not, not responsible  
'Cos I'm so in love with you

Well one time now  
And then I'm  
Not, not, not responsible  
Not, not, not responsible  
I can't answer for the things I do  
Not, not, not responsible  
Not, not, not responsible  
'Cos girl I'm so in love with you
