

# She's A Heartbreaker

Gene Pitney

I've got another heartbreaker on my hands  
Girl, I can't stand up to you and be a normal man  
My heart can't take it, I'm fallin' in love with you  
You'll trap me into doin' things I wouldn't ordinarily do  
You're dynamite, you've got me uptight  
The way you sock it to me, girl, you're outta sight

Heartbreaker, heartbreaker  
Heartbreaker, heartbreaker

She's a heartbreaker and all my buddies know  
She makes me feel like a king behind closed doors  
When we're out on a date and none of it shows  
She makes me feel like the lowest man on the totem pole  
She's dynamite, she's got me uptight  
The way you sock it to me, girl, you're outta sight

Heartbreaker, heartbreaker  
Heartbreaker, heartbreaker

What a heartbreaker, the devil on wheels  
Whatever you got, you sure make me feel real  
I'll keep on hangin' out, hangin' in as long as I can  
I can't help myself, here I go again  
You're dynamite, you've got me uptight  
The way you sock it to me, girl, you're outta sight

Heartbreaker, heartbreaker  
Heartbreaker, heartbreaker

Heartbreaker, heartbreaker  
Heartbreaker, heartbreaker  
My heartbreaker, heartbreaker  
Oh heartbreaker, heartbreaker
