

# Trans Canada Highway

Gene Pitney

Met a woman in Vancouver  
Nearly drove me outta my mind  
She told me she was looking  
For a man that could satisfy her

She was married to a law man  
and life was passing her by  
in a two room shack  
and now she wanted to fly

You know a man of hunger is a man of fear  
and being hungry for your love  
is being hungry for my blood  
a jealous man can make a big man run  
and i am running like the devil through the morning sun

Trans-Canada Highway take me home  
Trans-Canada Highway take me home  
take me home

Moved out of town in a hurry  
he's chasing me mile after mile  
I'm driving 'coz i'm knowing  
that i've got his lady with me

i see a sign for toronto  
almost making me smile  
the border's in sight  
i think i'm gonna be free

you know a man of hunger is a man of fear  
and being hungry for you love  
is being hungry for my blood  
a jealous man can make a big man run  
and i am running like the devil for the morning sun

trans-canada highway take me home  
trans-canada highway take me home  
take me home

the morning paper had a photograph  
of his burnt out wreck and it made me laugh  
i told the lady but the lady ran  
and now the papers say i'm a wanted man on the
