

Radioactive

Gene Simmons

You're my food, you're my water
You've got to be the Devil's daughter
Can't get near, can't get far
You've got the power, you know who you are

She's radioactive, she's very selective
She's what I need, she's so pretty indeed
She wants it all the time

An' I'm crazy, kind of hazy
I'm not sorry, got no worry
I'm not lonely, she's my only
She's got me eatin' out of her hand

She's radioactive, she's very selective
She's what I need, she's so pretty indeed
I've gotta make her mine

She's radioactive, she's very selective
She's what I need, she's so pretty indeed
I've gotta make her mine

She's radioactive, she's very selective
She's what I need, she's so pretty indeed
I've gotta make her mine

She's my little baby, she's such a lady
She knows how I feel, she knows that it's real
She wants it all the time

She's radioactive, she's very selective
She's what I need, she's so pretty indeed
I've gotta make her mine

She's my little baby, she's such a lady
She knows how I feel, she knows that it's real
She wants it all the time
