

Blue Jean Bop

Gene Vincent

Bluejean baby, with your big blue eyes
Don't want you looking at other guys
Got to make you give me one more chance
I can't keep still, so baby, let's dance

Well, the bluejean bop is the bop for me
It's the bop that's done in a dungaree
You dip your hip, free your knee
Squeal on your heel, baby, one to three

Well, the bluejean bop, bluejean bop
Oh baby, bluejean bop, bluejean bop
Oh baby, bluejean bop, baby, won't you bop with Gene?
Bop Blue Caps, bop

Well, bluejean baby when I bop with you
Well, my heart starts hoppin' like a kangaroo
My feet do things they never done before
Well, the bluejean baby, give me more, more, more

Well, the bluejean bop, bluejean bop
Oh baby, bluejean bop, bluejean bop
Oh baby, bluejean bop, baby, won't you bop with Gene?
Rock again, Blue Caps, go

Well, the bluejean bop, bluejean bop
Oh baby, bluejean bop, bluejean bop
Oh baby, bluejean bop, baby, won't you bop with gene?
Blue caps, bop with gene now, let's go

Well, there's a bluejean, a bluejean bop
A bluejean, a bluejean bop, baby
A bluejean, a bluejean bop
A bluejean, a bluejean bop
A bluejean, oh baby, won't you bop with Gene?
