

Brand New Beat

Gene Vincent

Well, there's a brand new beat
Well, I just got the word
Well, it's the darnedest beat
That you ever heard

Well, it goes bop, bop, be do, do, do, do
Bop, bop, be do, my lovin' heart
Just a beatin' for you

Well, there's a brand new squeeze
Just a waiting for you
Well, it's the dardenest squeeze
I wanna try on you

Oh you go, woh, oh, oh, oh, oh, oh, oh
Woh, oh, my lovin' eyes
They got a hold on you

My hands in the air and spinnin' all around
I'm dancin' all around and I'm spinnin' all around
Goodness, crazy beat has got me goin' around
It got me goin' around with my feet off the ground

Well, do you hear my beat
Well, it's the latest thing
She wanna try to squeeze
We can really swing

Well, it goes bop, bop, be do, do, do, do
Bop, bop, be do, I got a brand new love
I wanna give it you
Yeah

Well, do you hear my beat
Well, it's the latest thing
She wanna try to squeeze
We can really swing
Well, it goes bop, bop, be do, do, do, do
Bop, bop, be do, I got a brand new love
I wanna give it you
Yeah

Well, there's a brand new beat
Well, I just got the word
Well, it's the darnedest beat
That you ever heard
Well, it goes bop, bop, be do, do, do, do
Bop, bop, be do, my lovin' heart
Just a beatin' for you
Well, there's a brand new squeeze
Just a waiting for you
Just a waiting for you
Just a waiting for you
Just a waiting for you
Just a waiting for you
