

## Dance To The Bop

Gene Vincent

Well there's a little juke joint on the outside of town  
Where the cats pick 'em up and they lay 'em down  
You get your gal, I'll get mine  
And we'll get together and we'll have a good time

We'll dance a little bit to the bop, to the bop  
Dance a little bit to the bop  
Well, dance a little bit to the bop  
Well, now dance to the rock 'n' roll

Yeah now, dance, dance, dance  
Well, dance, dance, dance  
Yeah now, dance, dance, dance  
Well, dance, dance, dance  
Well now dance, well dance to the rock 'n' roll  
Now gotta get it

Well the cats come rockin' in two by two  
Some come single like me and you  
Dancin' to the bop is their delight  
Well when they get it right, they'll dance all night

They'll dance a little bit to the bop, to the bop  
Dance a little bit to the bop  
Dance a little bit to the bop  
Well, now dance to the rock 'n' roll

Yeah now, dance, dance, dance  
Well, dance, dance, dance  
Yeah now, dance, dance, dance  
Well now, dance, dance, dance  
Well now dance, well dance to the rock 'n' roll  
Yeah, now rock it

Yeah, we'll dance a little bit to the bop, to the bop  
Dance a little bit to the bop  
Dance a little bit to the bop  
Well, dance to the rock 'n' roll

Yeah now, dance, dance, dance  
Well, dance, dance, dance  
Now, dance, dance, dance  
Well, dance, dance, dance  
Well now dance, well now dance to the Rock 'n' Roll
