

# Everybody's Got A Date But Me

Gene Vincent

'Bout wore out of fun  
Since you said that you'd be gone  
Look like I have to sit here all alone  
I'm blue, blue as I can be, a-ah  
Well, tonight is the prom  
And everybody's got a date but me  
Well, she said she'd be my baby  
She said that she'd be mine  
We had a date, but it's too late  
And now I'm left here behind  
I'm blue, blue as I can be, a-ah  
Well, tonight is the prom  
And everybody's got a date but me  
(Oh, Jerry)

Well, I'll find a brand new baby  
I don't know how right now  
They're all booked up, I'm out of luck  
I don't care anyhow  
I'm blue, blue as I can be  
Well, tonight is the prom  
And everybody's got a date but me  
(Oh, blow Jackie!)

Well, I'll find a brand new baby  
I don't know how right now  
They're all booked up, I'm out of luck  
I don't care anyhow  
I'm blue, blue as I can be  
Well, tonight is the prom  
And everybody's got a date but me  
Yeah, I'm blue, oh I'm blue  
Yeah, I'm blue, oh I'm blue  
Well, tonight is the prom  
And everybody's got a date but me
