

Git It

Gene Vincent

Once there was a girl, oh, what a girl
She laugh to me, where can it be? Where's your cadillac car?
A cadillac car (cadillac car)
Where can I get me a cadillac car?
I don't have it now but I can git it (git it)
I don't have it now but I can git it (git it)
I don't have it now but I can git it (git it)
Well I'll do the best I can
Well, say git it, git it, git it, git it, git it

Once there was a girl, oh she was so sweet
She said to me where can it be? Where's your diamond ring?
A diamond ring (diamond ring)
Where can I get me a diamond ring?
I don't have it now but I can git it (git it)
I don't have it now but I can git it (git it)
I don't have it now but I can git it (git it)
Well I'm gonna do the best I can
Well, say git it, git it, git it, git it, git it
