Well, I got baby, she's still in her teens
I got a baby, man she's a real hep queen
I got a baby, she so good to me

I got a baby (i got a baby), sweet baby (i got a baby)

She got a talk like another star I know
Well I love that kitten, but love her really so

I got a baby (i got a baby), I got a baby (i got a baby)
