I'm Goin' Home

Gene Vincent

```
I'm goin' home
To see my baby
I'm goin' home
To see my gal

Don't you know
She really loves me
Don't you know
She really care --

I'm goin' home
To see my baby
I'm goin' home
To see my gal

Don't you know
She really loves me
Yeah, I'm goin' home
To see my gal

I'm goin' home
To see my baby
I'm goin' home
To see my gal

Don't you know
She really loves me
Don't you know
She really care --

She's that loves me
Every night
Don't you know
She treats me right

She's alright

She's that loves me
All the time
Don't you know
I'm glad she's mine

She's alright
She's alright

I'm goin' home
To see my baby
I'm goin' home
To see my gal

Don't you know
She's my babe
Don't you know
That she's my gal
