

Peace Of Mind

Gene Vincent

As I stood at the doorstep of romance
You told me that we're through
Then you threw your lovin' arms around me
And you gave me, yeah-yeah, you gave me
Oh-oh gave me, peace of mind, yeah
Peace of mind, you gave me
Peace of mind, you gave me
Peace of mind, oh-oh you gave-gave me
You gave me, yeah-yeah, you gave me
Oh-oh you gave me, peace of mind
