

## Peace Of Mind

Gene Vincent

As I stood at the doorstep of romance  
You told me that we're through  
Then you threw your lovin' arms around me  
And you gave me, yeah-yeah, you gave me  
Oh-oh gave me, peace of mind, yeah  
Peace of mind, you gave me  
Peace of mind, you gave me  
Peace of mind, oh-oh you gave-gave me  
You gave me, yeah-yeah, you gave me  
Oh-oh you gave me, peace of mind
