

# Should I Ever Love Again?

Gene Vincent

Should I ever love again?  
Or should I ever be untrue?  
Now, tell me dear,  
What can I do?  
should I ever love again?

Tell me dear, tell me --  
Why, why, how love you  
Tell me dear, tell me why  
See, I got tears in my eyes

Look at me,  
Look at me, boo  
What a fool  
I underestimated you  
Now, tell me dear,  
What will I do?  
Should I ever love again?

Look at me,  
Look at me, boo  
What a fool  
I underestimated you  
Now, tell me dear,  
What will I do?  
Should I ever love again?

Look at me,  
Look at me, boo  
What a fool  
I underestimated you  
Now, tell me dear,  
What can I do?  
Should I ever love again?
