

## Wear My Ring

Gene Vincent

Won't you wear my ring on your finger  
Wear my love within your heart  
And say you'll always be  
As much in love with me as at the start

Won't you wear my ring on your finger?  
And make this solemn vow  
That you'll will always be  
As much in love with me as you are now

And when we're old and we're gray  
We will still have this day  
To remember when December comes in May

Won't you wear my ring on your finger?  
Provin' that love is ours to share  
You're mine till evermore  
Just like this ring of gold you now wear

And when we're old and we're gray  
We will still have this day  
To remember when December comes in May

Won't you wear my ring on your finger?  
Provin' that love is ours to share  
You're mine till evermore  
Just like this ring of gold you now wear
