Wear My Ring

Gene Vincent

Won't you wear my ring on your finger Wear my love within your heart And say you'll always be As much in love with me as at the start

Won't you wear my ring on your finger? And make this solemn vow That you'll will always be As much in love with me as you are now

And when we're old and we're gray We will still have this day To remember when December comes in May

Won't you wear my ring on your finger? Provin' that love is ours to share You're mine till evermore Just like this ring of gold you now wear

And when we're old and we're gray We will still have this day To remember when December comes in May

Won't you wear my ring on your finger? Provin' that love is ours to share You're mine till evermore Just like this ring of gold you now wear
