

Well, I Knocked Bim-Bam

Gene Vincent

Well I came home last night a long about ten
Well I came home last night a long about ten
Well the door was locked
And I just couldn't get in
Yes I knocked and I knocked, bim-bam
Yes I knocked and I knocked, bim-bam
Yes I knocked and I knocked, bim-bam
Yes I knocked and I knocked, bim-bam
Well the next time baby you'll know just who I am
(Rock it Blue Caps, go now!)

Well I looked and I couldn't find
Where you hid the key
Well I looked and I couldn't find
Where you hid the key
I had a feeling baby, you been holding out on me
So I just knocked and I knocked, bim-bam
Yes I knocked and I knocked, bim-bam
Yes I knocked and I knocked, bim-bam
Yes I knocked and I knocked, bim-bam
Well the next time baby you'll know just who I am
(Rock Blue Caps, go now!)

Well I said I'm waiting for you
To come sneakin' in
Well I said I'm waiting for you
To come sneakin' in
Gonna ask you baby just where you think you been?

So, I knocked and I knocked, bim-bam
Yes, I knocked and I knocked, bim-bam
Yes, I knocked and I knocked, bim-bam
Yes, I knocked and I knocked, bim-bam
So the next timer baby you'll know just who I am
