

## Woman Love

Gene Vincent

Woman love, hey hey hey hey  
Woman love, hey hey hey hey  
Woman love, hey hey hey hey  
Woman love, hey hey hey hey

Well I went to my good doctor not so long ago  
A walkin' in a circle and moanin' low  
He looked at me and said, Good lord above, son  
You need a vaccination of a woman love

Well I'm lookin' for a woman with a one track mind  
A huggin' and a kissin' and a smoochin' all the time  
I'd build her a castle to the moon up above  
I sure am a needin' me some woman love  
Let's rock once

We'll I'm lookin' for a lovin' gal that needs a lot of care  
Not worried about her figure or the color of her hair  
The doctor really scared me  
When he said, good lord above  
You sure am a needin' you some woman love

Well I'm tired of walkin' circles  
Tired of moanin' low  
I want my baby with me everywhere I go  
I want my lovin' baby to call me turtle dove  
I sure am a needin' me some woman love  
Let's rock again

Well I'm tired of walkin' circles  
Tired of moanin' low  
I want my baby with me everywhere I go  
I want my lovin' baby to call me turtle dove  
I sure am a needin' me some woman love

Woman love, hey hey hey hey  
Woman love, hey hey hey hey  
Woman love, hey hey hey hey  
Woman love, hey hey hey hey  
Woman love, hey hey hey hey
